

**AIN SHAMS UNIVERSITY
FACULTY OF AGRICULTURE**

CURRICULUM VITAE

AHMED ABOUELYAZID AHMED ABDELHAFEZ

Professor at the Faculty of Agriculture, Ain Shams University

- * Chairman and Managing Director of Delta Sugar Company
- * Assistant Secretary of the Workers' and Peasants' Central Secretariat (*Mostaqbal Watan*) (Nation's Future Party) (Future of the Nation Party)
- * Chairman of the Supreme Advisory Board of the General Secretariat of the Council of Arab Economic Unity
- * Vice President of the Arab Organisation for Marketing - League of Arab States
- * Head of the Delta region for the Sports Federation of Companies

November 2023

CURRICULUM VITAE

Prof **AHMED ABOUELYAZID AHMED ABDELHAFEZ**
ID Card No: (26706190100896)

Current Job:	Professor at the Faculty of Agriculture - Ain Shams University <ul style="list-style-type: none"> • Chairman and Managing Director of Delta Sugar Company • Head of the Supreme Advisory Board of the General Secretariat of the Council of Arab Economic Unity. • Head of the Delta region for the Sports Federation of Companies
Work Phone:	+202 38308246 – 37495773
Fax:	+202 38308214 - 37498687
Mobile:	0122 1008317 / 01117908888
Date & Place of Birth:	19/06/1967 - Cairo – ARE
Place of Residence:	10 Ibn Manzoor St - behind Heliopolis Club – Heliopolis, Cairo
Work Correspondence Address:	20 Salem Salem St, Giza, ARE
Marital status:	Married and a family provider
Personal Email Address:	abouelyazied@hotmail.com / chairman@deltasugar.com
Personal Websites:	http://www.ahmedabouelyazied.com/ http://www.ahmedabouelyazied.net/
(a) Academic Qualifications:	<ul style="list-style-type: none"> • Bachelor of Agricultural Sciences - Faculty of Agriculture - Ain Shams University (1989) • Master of Agricultural Sciences - Faculty of Agriculture - Ain Shams University (1994) • Doctorate of Philosophy of Agricultural Sciences - Faculty of Agriculture - Ain Shams University (1999)
(B) Academic Progression:	<ul style="list-style-type: none"> - Demonstrator: from 05/11/1989 to 21/03/1995 - Assistant Lecturer: from 22/03/1995 to 25/04/1999 - Lecturer: from 26/04/1999 to 29/07/2007 - Associate Professor: From 30/08/2007 to 25/09/2012 - Professor: From 26/09/2012 to date

(C) Academic & Administrative Positions:

First: Ain Shams University

- 1) Professor at the Department of Horticulture - Faculty of Agriculture, Ain Shams University (from 2012 to date)
- 2) Head of Green Branch - Faculty of Agriculture - Ain Shams University (from 2014 to 2016)
- 3) General Coordinator of the (Teaching in English) Programme, Organic Agriculture Division (from 2008 to 2011)
- 4) Head of the Organic Agriculture Unit of the Centre for Agricultural Studies and Consultations - Faculty of Agriculture - Ain Shams University (from 2008 until 01/12/2009)
- 5) Director of the Centre for Agricultural Studies and Consultations, Faculty of Agriculture - Ain Shams University (from December 2009 to April 2017)

Second: Ministry of Agriculture and Land Reclamation

- 1) Head of the Agricultural Services Sector at the Ministry of Agriculture and Land Reclamation by Ministerial Decree No (841) of 2016
- 2) He was delegated by Ministerial Decree No (884) of 2016 the powers of the Chairman of the Board of Directors of the Cotton Improvement Fund
- 3) Member of the Board of Trustees of the Agricultural Development Programme (ADP) by Ministerial Decree No (1130) of 2016
- 4) General Supervisor of the Organisations Sector and Affairs of the Office of the Minister of Agriculture and Land Reclamation by Ministerial Decree No (86) of 2017 (from January 2017 to March 2018)
- 5) Head of the Technical Committee of the Rural Media Council - Ministry of Agriculture and Land Reclamation
- 6) Member of the Board of Directors of the General Union of Producers and Exporters of Horticultural Crops by Ministerial Decree No 398 of 2018

Third: Ministry of Supply and Internal Trade

- 1) Member of the Board of Directors of the Holding Company for Food Industries "by Ministerial Decree No (179) of 2017, issued by the Minister of Supply and Internal Trade
- 2) Chairman and Managing Director (Delta Sugar Company) and Managing Director (from March 2018 to date)
- 3) Member of the Board of Directors of El Fayoum Co. For Sugar
- 4) Member of the Board of Directors of the Egyptian Bioethanol Company, affiliated to the Egyptian Petrochemical Holding Company
- 5) Member of the Supreme Committee for Sugar - Ministry of Supply and Internal Trade

Fourth: Assiut University

- Member of the Advisory Board of the Faculty of Sugar Industry Technology - Assiut University.

Fifth: Participation in executive and advisory work and previous membership of various committees and currently at the university level, the Ministry of Agriculture and Land Reclamation, and the Ministry of Supply and Internal Trade

<ul style="list-style-type: none"> • Assistant Secretary of the Workers' and Peasants' Central Secretariat (Mostaqbal Watan) (Nation's Future Party) (Future of the Nation Party).
<ul style="list-style-type: none"> • Chairman of the Supreme Advisory Board of the General Secretariat of the Council of Arab Economic Unity.
<ul style="list-style-type: none"> • Vice President of the Arab Organisation for Marketing - League of Arab States.
<ul style="list-style-type: none"> • Member of the Board of Directors of the General Sports Federation of Companies and Head of the Delta region for the Sports Federation of Companies.
<ul style="list-style-type: none"> • Member of the Board of Trustees of Zewail City for Science and Technology until 2013.
<ul style="list-style-type: none"> • Member of the Technical Committee for the Green Trade Initiative project at UNIDO {United Nations Industrial Development Organisation (UNIDO)} - Regional Office in Egypt.
<ul style="list-style-type: none"> • Former member of the Higher Coordinating Committee of the National Project for the Development of Field Irrigation in the Old and New Lands of the Ministry of Agriculture and Land Reclamation .
<ul style="list-style-type: none"> • Former member of the Board of Directors of the Institute of Postgraduate Studies and Research for Agriculture in Arid Regions - Faculty of Agriculture - Ain Shams University .
<ul style="list-style-type: none"> • Agricultural expert - at the Arab Organisation for Agricultural Development, affiliated to the League of Arab States and head of the Regional National Study team, "Unified Arab Indicative Standards for Fresh Vegetable Crops".
<ul style="list-style-type: none"> • Member of the Executive Committee of Agricultural Development Research Conferences - Faculty of Agriculture - Ain Shams University.
<ul style="list-style-type: none"> • Member of the Advisory Committee, "the Egyptian-American team in the scientific body (RONCO) supervising the (ATUT) project, the use and transfer of technology of the USAID, in the Ministry of Agriculture and Land Reclamation in ARE - Project No 263-024.
<ul style="list-style-type: none"> • Associate member of several national and research projects funded by the Science and Technology Development Fund (STDF), the Ministry of Higher Education and the regional councils for agricultural research and extension at the Ministry of Agriculture.
<ul style="list-style-type: none"> • Former founding member of the Quality Assurance Unit (QAU) at the Faculty of Agriculture - Ain Shams University - affiliated to the Quality Assurance Project at the Ministry of Higher Education and the Rapporteur of the Quality Committee for Administrative Evaluation at the faculty .
<ul style="list-style-type: none"> • Member of the Coordinating Committee of Farms, Faculty of Agriculture - Ain Shams University.
<ul style="list-style-type: none"> • Member of the Executive Committee of the Environment and Community Service Sector [Employment Office] and [Guiding Caravans] at the Faculty of Agriculture - Ain Shams University.

<ul style="list-style-type: none"> • Expert trainer at Gitrack Training Corporation in the United Arab Emirates (Sharjah) for horticulture and forestation programmes in urban areas .
<ul style="list-style-type: none"> • Former agricultural Scientific Consultant for Cairo Fertilisers and Chemical Industries Company
<ul style="list-style-type: none"> • Former agricultural Scientific Consultant for the United Company for Agricultural Development in ARE
<ul style="list-style-type: none"> • Assistant agricultural consultant for Heinz Company "Cairo Food Industries" from 1992 until 2000
<ul style="list-style-type: none"> • Contributed to the preparation of the baseline and executive studies for the fertilisers complex project for the "Sama Al-Huraibi" group of companies in Madinah, Kingdom of Saudi Arabia
<ul style="list-style-type: none"> • External evaluator for agricultural and special training programmes for the vegetables department in the faculties of agriculture in Egyptian universities
<ul style="list-style-type: none"> • Member of the Coordinating Committee for Fertilisers at the Ministry of Agriculture and Land Reclamation (starting June 2016)
<ul style="list-style-type: none"> • Former member of the General Committee for Marketing Cotton Trade in the Ministry of Agriculture
<ul style="list-style-type: none"> • Former member of the Leadership Selection Committee at the Ministry of Agriculture and Land Reclamation
<ul style="list-style-type: none"> • Former member of the Agricultural Crops Seeds Committee at the Ministry of Agriculture
<ul style="list-style-type: none"> • Former member of the Agricultural Crop Varieties Registration Committee at the Ministry of Agriculture
<ul style="list-style-type: none"> • Former member of the Sustainable Development Committee at the Ministry of Agriculture
<ul style="list-style-type: none"> • Former member of the Agricultural Fertilisers Committee - Land and Water Research Institute, Agricultural Research Centre
<ul style="list-style-type: none"> • Former member of the Main Pesticides Committee at the Ministry of Agriculture
<ul style="list-style-type: none"> • Former member of the advisory committee for field schools in the Ministry of Agriculture
<ul style="list-style-type: none"> • Former member of the Cotton, Fiber and Oil Crops Council
<ul style="list-style-type: none"> • Former member of the Export Council for Agricultural Crops
<ul style="list-style-type: none"> • Former member of the Agricultural Quarantine Works Committee at the Ministry of Agriculture
<ul style="list-style-type: none"> • Former chairman of the Committee for the provision of cotton seeds
<ul style="list-style-type: none"> • Former member of the Breeders' Rights Committee at the Ministry of Agriculture
<ul style="list-style-type: none"> • Former member of the Intellectual Property Rights Committee at the Agricultural Research Centre

- Former member of the Rural Development Committee at the Ministry of Agriculture
- Former member of the Export and Import Control Committee - Airport, Ministry of Agriculture and Land Reclamation
- Former member of the Health and Phytosanitary Committee at the Ministry of Agriculture and Land Reclamation
- Former member of the Potato Export Regulatory Committee at the Ministry of Agriculture
- Former member of the Board of Directors of the Energy and Water Stations Authority at the Ministry of Electricity and Renewable Energy (2016-2017)
- Member of the Board of Directors of the General Authority for Agrarian Reform
- Member of the Coordination and Follow-up Unit for the Sustainable Development Strategy: Egypt Vision 2030
- Member of the Board of Directors of the Animal Wealth Insurance Fund at the Ministry of Agriculture and Land Reclamation (ruminants)
- Member of the Sugar Crops Council Committee

He has contributed to modifying and developing curricula and establishing laboratories at the Faculty of Agriculture - Ain Shams University.

He has contributed to the establishment and development of vegetable farms, as well as the preparation and establishment of a specialised trading centre (for post-harvest transactions for vegetable crops, storage and reduction of waste) at the Faculty. He has also participated in the preparation of the programme and regulations for the English-language education programme - and prepared the (organic agriculture) programme in the Faculty of Agriculture, Ain Shams University.

He has received many honorary shields certificates of appreciation and letters of thanks including:

- Shield of Honor from the Egyptian Minister of Agriculture and Land Reclamation (2016)
- Shield of Honour of FAO from the Egyptian Minister of Agriculture and Land Reclamation on World Food Day 2017 - Food and Agriculture Organisation of the United Nations and the Ministry of Agriculture and Land Reclamation (2017)
- Shield of Thanks and Appreciation from the Faculty of Agriculture, Ain Shams University (2015), and many Certificates of Thanks and Shields from Egyptian bodies and universities (such as Cairo University, Ain Shams University, Mansoura University, Academy of Scientific Research, Agricultural Research Centre, etc)

He is member of the following international and local bodies and associations:

First - International bodies and associations:

1. Member of the Royal Horticultural Society (RHS) London – England
2. Member of the Royal Agricultural Society of England (RASE) in the United Kingdom (UK)
3. Member of the American Society of Horticultural Sciences (ASHS) in the United States of America (USA)
4. Member of the International Society of Horticultural Sciences (ISHS) in the United States of America (USA)
5. Member of the International Society of Organic Agriculture Research (ISO FAR)
6. Member of the Australian Society of Horticultural Science (AuSHS) in Australia
7. Member of the International Fertiliser Association (IFS) in England - UK

Second - Local Authorities and Associations:

1. Member of the General Union of Producers and Exporters of Horticultural Crops.

2. Member of the Board of Directors of the Egyptian Horticultural Society.
3. Member of the Agricultural Chemistry and Environmental Protection Association
4. Member of the Egyptian Association for the Development of Packaging
5. Member of the Egyptian Society for Organic Agriculture and Environmental Conservation
6. Member of the Egyptian Society for Quality
7. Member of the Egyptian Society of Applied Microbiology, Faculty of Agriculture, Ain Shams University
8. Member of the Board of Directors of the Egyptian Sugar Experts Association

Published scientific research:

He has had more than one hundred and forty-five research papers published in the field of specialization in research journals and international and local scientific periodicals.

Masters' and PhD theses supervised by him:

He has contributed to the establishment of a scientific agricultural school specialised in the field of clean agriculture and the use of modern agricultural techniques to increase and improve agricultural production by supervising forty-five (45) masters' theses in agricultural sciences, as well as supervising thirty-four (34) PhD theses at Ain Shams University and other universities (such as Cairo University, Benha University, Mansoura University, Tanta University, and research centres and bodies).

List of scientific literature (books – guides - national studies - articles):

1. **The language of plants..** - Ain Shams University - ARE -
Deposit No 2012/9167- ISBN 978-977-6349- 7- 9.
2. **Nurseries and seedling production..** Publisher: Open
Education Centre, Faculty of Agriculture, Ain Shams University
- ARE - Deposit No 2007/17614, ISBN (977-237-308-4).
3. **[Modern Techniques in Fertilising Vegetable Crops]**,
Publisher: Centre for Agricultural Studies and Consultations -
Faculty of Agriculture - Ain Shams University - ARE - Deposit
No 2012/9352- ISBN 978-977-04-6998-6.
4. **[Guide to Quality Measurements for Fresh Horticultural
Crops after Harvest]**, Publisher: Agricultural Studies and
Consultation Centre, in cooperation with the Exporters Union
of the Egyptian Ministry of Agriculture and Land Reclamation
- ARE - Ain Shams University - Deposit No 2012/9353- ISBN
978-977-406999-7.
5. **Egyptian agriculture in the eighties and nineties and facing
challenges.**

Deposit No 2015/4766 , ISBN: 978-977-237-393-2,
Publisher: Centre for Agricultural Studies and Consultations -
Ain Shams University - Faculty of Agriculture
6. **Making the Egyptian farmer happy is an entry point for
achieving agricultural development in Egypt**

Deposit No: 2015/4765, ISBN: 978-977-237-392-5,
Publisher: Centre for Agricultural Studies and Consultations - Ain
Shams University - Faculty of Agriculture

7. Maximising the utilisation of plant agricultural waste in the Arab Republic of Egypt.

Deposit No: 2015/4849, ISBN: 978-977-237-391-8.

8. **(Technology of storage and export of horticultural crops)** - Horticulture Department - Faculty of Agriculture - Ain Shams University
9. **(Storage, handling and export of horticultural crops)** - Plant Production Programme - Department of Horticulture - Faculty of Agriculture - Ain Shams University
10. **(Fruit Physiology)** - Horticulture Department - Faculty of Agriculture - Ain Shams University.

List of scientific literature (books – guides - national studies - articles):

1- **Illustrated guide [Potatoes .. Agriculture and production]**
Publisher "View Advertising and Services - ARE -

Deposit No 2005/16119, ISBN: (977-17-2552-1).

2- **Scientific evidence for the symptoms of nutritional deficiency and some problems and ways to treat them.**

3- **(Agricultural Agenda)** – Publisher: Faculty of Agriculture - Ain Shams University, first and second editions - Deposit No: 2001/18290. Printed and published electronically at the website: www.agricultureegypt.com

He holds the following patents:

A) He holds a patent No “26429” of the Academy of Scientific Research and Technology, the Ministry of State for Scientific Research, for (a phosphate fertiliser that is

environmentally friendly and suitable for organic cultivation through natural biological additives to phosphate rock) and received the Shield of Excellence of the Arab Conference on Land and Water Management for Agricultural Development Sustainable - Mansoura University - Faculty of Agriculture. **(The patent was registered as a bio-phosphate fertiliser).**

B) He holds a patent No “27124” of the Academy of Scientific Research and Technology, Ministry of State for Scientific Research, on (a method for producing nitrogen and phosphate fertilisers by adding the element boron, biological fertilization of organic materials and phosphate rock with phosphorous facilitators and bio-non-symbiotic nitrogen stabilisers) **(the patent was registered as a fertiliser (bio nitrogen)**

Research projects that I participated in at the national level:

1. Member of the research team for the project (Post-Harvest Transactions) funded by the Delta Regional Council and affiliated to the National Agricultural Research Project with the aim of reducing agricultural losses.
2. Member of the research team for the project [Reuse of treated wastewater in irrigation] in cooperation with the Ministry of Agriculture and Land Reclamation and the Academy of Scientific Research with the aim of optimising the use of treated water.
3. Member of the advisory committee “the Egyptian-American team in the American Scientific Authority (RONCO) supervising the (ATUT) project (the use and transfer of technology) affiliated with the USAID in the Ministry of Agriculture and Land Reclamation in the ARE - Project No 263-024 with the purpose of agricultural modernisation.

4. Associate member of the team of specialised scientific committees (for post-harvest transactions) for guidance and development in cooperation with the Ministry of Agriculture and Land Reclamation with the aim of improving the productivity of vegetable crops and encouraging exports.
5. Member of the project (**Developing the Library of the Faculty of Agriculture**) - Ain Shams University - with the aim of restructuring, developing and coordinating the agricultural library.
6. Member of the research team of the project [**Reducing Environmental Pollution by Agrochemicals Using Chemical Irrigation Techniques in New Lands**] funded by the Regional Councils for Agricultural Research and Extension - Agricultural Research Centre - Ministry of Agriculture and Land Reclamation (ARE) with the aim of raising productivity and producing safe food.
7. Member of the research team in the project [**The effect of treated sewage water and some substances that reduce or remove harmful ions on some plants**] funded by the Community Service and Environmental Development Sector - Ain Shams University - with the aim of optimising the use of recycled and treated water.
8. Member of the [**Quality Assurance and Accreditation (QAAP)**] project at the Faculty of Agriculture, which is funded by the Ministry of Higher Education, with the aim of raising awareness and reaching high training efficiency in agricultural education.
9. The researcher on duty for the head of the project "**Application of traditional and non-traditional post-harvest transactions and the chain of circulation to reduce post-harvest deterioration of cantaloupe and tomatoes**" funded

by the Science and Technology Development Fund (STDF) to encourage the export of agricultural crops.

He has contributed to the preparation of the following training programmes:

- 1- Training youth groups in the Presidential Programme for Qualifying Youth for Leadership (at the National Training Academy, NTA).
- 2- Giving lectures at Nasser Higher Military Academy (National Defence College).
- 3- He has participated in the training of many technicians, agricultural engineers, agricultural mentors and agricultural extension agents at the Ministry of Agriculture and Land Reclamation, Agriculture Directorates, the National Research Centre, the Desert Development Centre at the American University, and the Association of Arab Universities (the Arab Council for Graduate Studies and Scientific Research and the Motherhood and Childhood Education Project in the countryside Egyptian) within the Arab Republic of Egypt and the Arab world.

Scientific tasks and scientific and public conferences in which he has participated:

- He has attended many conferences (the Presidential Youth Conference in the presence of His Excellency the President of the Republic).
- He has participated in the inauguration of the greenhouse project at Mohamed Naguib base in the presence of His Excellency the President of the Republic. He was also an active participant in the presidential elections and constitutional amendments.
- He has participated in more than fifty conferences and workshops at the local and international levels, by delivering

research, as well as representing the Faculty and University in these conferences.

- He has carried out many scientific missions to learn about modern scientific techniques (in the field of agriculture, agricultural mechanisation, and seed production) in many countries of the world, including the United States of America (AUS)) at Ohio University and the State of "Canada" at the Canadian Research Station of the Canadian Ministry of Agriculture, as well as in China, in addition to:
- Paying a scientific visit, in cooperation with the **Ashtropy** Foundation, to Spain during the period from 3-9: 7-9-2018 to learn about the most important modern technologies in the field of production and development of sugar beet seeds, and the mechanisation of planting and harvesting the sugar beet crop,
- a scientific visit, in cooperation with the **Maribo** Foundation – Helshoog, to Denmark and Sweden during the period from 17-9: 21-9-2018 to learn about modern agricultural techniques.
- and a scientific visit, in cooperation with the Debreia Foundation, to France, and to Hungary in cooperation the Biocid Foundation during the period from 10-19: 10/27-2018 to see the latest scientific techniques in breeding and cultivating seeds. He was also invited to visit (ITB Institute of Sugar Beet Technology) Paris - France to review one of the techniques in the technology of the sugar industry.
- He has also paid scientific visits, in cooperation with the (Cisse Vanderhaf) Foundation, to Belgium, and the Kon Foundation, to the Netherlands during the period from 10-12: 15-12-2018 to learn about modern agricultural techniques in methods of breeding and developing seed varieties.
- He has paid a scientific visit in cooperation with (KWS) and (Delch Foundation) to Germany during the period from 21: 26-1-2019 to check modern agricultural techniques.

- This is in addition to the mutual scientific missions and visits to disseminate modern agricultural technology and techniques in some Arab countries, including (United Arab Emirates / and the Kingdom of Saudi Arabia).
- Attending scientific forums and conferences in London - England, France - 2022 (International Sugar Organization - London / England and the Institute of Sugar Beet Technology (ITB) in Paris - France).
